Standard pen but with a unique roller, massager, fidget top. Two bumpy wheels roll together to provide tactile input to arms, legs and fingers. Roll along table top for some bumpy, vibratory feedback through hand & arm. Roll along clay, putty or sand for a bumpy, pebbled imprint.

**T1171 \$1.00**

# POCKET FULL OF THERAPY - 2017 NEW PRODUCTS

## HANDWRITING HERO'S WRITING PROGRAM

After years in the making, Handwriting Heroes is at long last here! This fun and highly effective program is easy to implement and designed to accelerate learning to write lower case letters accurately and fluently.

The Program is meant to be downloaded and re-produced by the user to save cost and to be used by one or several students. Pages maybe photocopied, re-printed, laminated or placed in a dry-erase pocket protector. Several user friendly varieties available.

## FUNNY FACES RUBBING PLATES

Combine these mix and match rubbing plates to make hilarious character faces! The 18 large rubbing plates are easy to combine (6 hair, 6 eyes, 6 mouth). Simply pick one of the hair, eyes and mouth plates and place onto the individual included face mat to prevent them from sliding. Cover all with a sheet of paper and rub with the side of a crayon to reveal the wacky character you made. Comes with two face mats and an instruction guide. Builds hand skills and creativity.

**W4137 \$11.95**

## GRETA'S GARDEN THREADING

Beautifully crafted in wood, Greta's cozy house and garden is the perfect place to practice threading. Add leaves to the trees and bushes, birds to the roof and flowers and dog to the yard by simply threading them into place. Builds hand skills, bilateral coordination, perception, creativity & language/storytelling ability. Comes with an 11 X 10 inch baseboard, 26 threading pieces, two threads and two double sided templates to follow for a more structured design copy work out.

**B9170 \$19.95**

## PIX-IT STARTER KIT

This kit is filled with materials that beckon to players but visually and tactially. If you see it, you have to touch it! Kit consists of a large transparent reverse pegboard and 180, 1/2" square pieces, in six colors, which fit onto the projections that fill the board. Board and pieces are made from flexible silicone. Also includes 18 full size, colorful task cards for copying, which can be placed under the board so that the pattern is still visible to build directly on top. For a greater perceptual challenge, task cards can be placed to the side, demanding greater focus, organization and ocular skills. Great fun when creating original pictures or designs. This wonderful work out for the hands, eyes and brain, all comes neatly packaged in a space saving tube for easy transport.

**V5002 \$37.95**

## BOUNCY BANDS

Simple but innovative technology helps students and adults alike get more work done, focus longer and stay calm and in control. Durable bouncy bands attached to desk or chairs in seconds giving the user a way to move, expend excess energy and reduce boredom all while staying seated., and without disturbing others! Great for children with SPD, autism, ADD, ADHD, LD. Latex free.

**T9722 B-bands for Desks 22-28" wide \$14.95**

**T9721 B-bands for Chairs 13-18" between legs \$13.95**

**(Have a different type or size desk or chair? Call for info)**

## CLASSROOM CLIPS

Highly versatile set of brightly colored clips. 30 large clips facilitate an open web space and 2 or 3 point grasp when squeezing open. Moderately resistive, they are great for attaching to each other, the edge of shoeboxes and clothing. But best yet, the eyelet opening at the center and the holes in handles provide 2 ways to string the clips themselves, making a fast and easy clothesline activity or keep them permanently strung providing an immediately no fuss line for attaching cards, letters, pictures, etc. Enough clips to share; make 2 clotheslines or have 2 children working.

**S2102 \$23.95**

## YOGA SPINNER GAME

Yoga is now a group game designed around fun, flexibility and balance. Players give the spinner a whirl. If they can hold the corresponding pose for 10 sec, they keep the card. First player to collect a card in each of the 4 colors, wins. Landing on some of the spots on the spinner allow for a bit of strategic game play as cards are taken, traded or lost. Some poses even require players to work together requiring teamwork and social interaction. The 54 yoga pose cards store neatly inside the spinner making it a very compact and perfect for travel and therapy bags.

**M8515 \$14.95**

## STACKING STEMWARE

how do you stack up when it comes to stacking stemware? you get 36, 2 inch plastic goblets in four colors and a standard die. Players take turns stacking glasses by color according to the roll of the die. (ie #1 equals red, chart provided on box). Player to place the last glass before the tower falls is the winner. also try placing glasses using a tong, as receptacles for small items placed with tweezers, race to stack 10 high, free play stacking-building. Don't lose your nerve as you work to improve upper extremity mid range control and shoulder stability.

**U1137 \$4.95**

## BARNYARD BUDDIES

Players will need to use deductive reasoning, visual and memory skills to help the farmer find all his animals. 25 animal cards showing one of 5 different kinds of animals in 5 different colors are scattered around the play area. A Herd card is then turned over showing 4 different animals in 4 different colors. All players scan the scattered cards to find the missing 5th animal in the 5th color. First person to do so correctly, gets the card. Collect the most cards and you win. A more challenging variant reverses the game so that players are now looking for the single animal that is missing from the turned over Herd car. Can also use cards to work on sorting, counting and color recognition.

**R2379 \$9.95**

# POCKET FULL OF THERAPY - 2017 NEW PRODUCTS

## JUMBO TONGS

Colorful plastic 4 inch tongs fit comfortably into little hands. Great for counting and sorting, crossing midline and range of motion activities. Ridges in tong tips make gripping of items more successful.

**S2104 1 for \$1.50**  
**S2108 3 for \$3.95**

## HOW TO DRAW FANTASY

Complete kit comes with all you need to learn how to draw many things from the world of fantasy, including dragons and castles, witches and flying aliens in their saucer. Comes with a step-by-step drawing booklet, sketch pad and set of colored pencils and a sharpener. Comes packaged all contained in a take along book-like kit.

**W8941 \$12.95**

## SHARK GRABBER

You control the giant mechanical shark as he opens his jaws wide to grab or pick up items as large as a tennis ball. Very fun, motivating way to work on hand strengthening, crossing midline, and range of motion. Use the shark as part of an obstacle course challenge and see who is the fastest at picking up 10 beanbags and dropping them in a bucket across the room. 12" long.

**S1169 \$4.95**

## TRICKY TRUNKS

Using the unique elephant shaped tools, players must work quickly and carefully to pick up the correct balls as shown on the challenge card. Comes with 4 elephant tools, 48 colored marbles and 48 challenge cards. Helps build hand skills and strength, upper extremity and shoulder stability, speed of response and visual scanning and tracking skills.

**U5632 \$24.95**

## OUCH - THE ACUPUNCTURE GAME

Ouch!, is a unique game consisting of 1 die, 40 pin pegs in 2 colors and a 4" long, body shaped piece of perforated silicone. This 1 or 2 person game can be played in a number of ways, but all require fine grasp to place the small pin-peg into the tiny holes. Game ideas include: roll the die and put that many pin-pegs into holes. First to place all their pegs wins; Time It- Fastest player to fill 10, 20 or all the holes is the winner in this timed competition. Or buy an extra Ouch body for head to head competition. Caution: Small, functional sharp pegs included. Not for children under 5 years.

**X4769 Ouch Game \$11.95**  
**X4763 Extra Pin-Pegs \$1.00**

## RUBBING PLATES: TEACH ME SHAPES

Versatile collection of 16 rubbing plates each highlighting a different shape and pattern. Uniquely, the tactile tracing paths around each perimeter allow visually impaired students to feel the shapes. To use: simply lay a sheet of paper over the 4 x 5" plate and rub over the top with crayon, pencil or marker to reveal the shape and interior pattern. For more advanced artists, the interior patterns can be used to fill in coloring book pages or pictures of their own creation. The act of rubbing creates a vibratory effect through the hand and arm that many people find enjoyable and can be alerting.

**W4133 \$13.95**

## THE MAZINS

Terrific tool for working on visual tracking skills as players visually follow paths around town to end at different attractions. A roll of the die tells you at which family member you start and your eyes do the work of tracking along that path, through the winding city streets, to see where they end up. First to find the correct attraction gets one point, 5 points wins the game. Comes with 7 interchangeable game boards allowing easy adjustment of difficulty by using anywhere from 3 to all 7 boards. After each turn one of the boards is switched or moved so paths lead to new directions.

**V3973 \$19.95**

## DINNER WINNER PLATES

Dinner Winner Plates make mealtime fun! Even the fussiest eaters will make it through their "3 square meals a day" using these 8.5" x 8.5", dishwasher safe, melamine plates. Covered in bright, kid-friendly graphics and divided into 9 separate sections, small amounts of food are placed in each section. Children are encouraged to eat their way along the path, discovering each encouraging word printed there and leading them to the hidden surprise treat in the last covered section. Also solves the dreaded "food touching" problem!

**X4756 Super Heros blue-Red**  
**X4755 Original orange-green \$19.95**

## THUMBS UP

Race to stack colored rings on your thumb in the correct order! Use only 1 hand for a real intrinsic workout!

**P4225 \$14.95**

## RED MITTEN TONGS

The cute as can be red silicone mittens on the ends of this tong make it easy to pick up larger & slippery items like blocks, marbles or ping pong balls! Wide span of the sturdy metal legs makes it a more resistive tool & great for building hand-finger strength. Parents might want a pair of their own for in the ice bucket.

**X4760 \$9.95**

## SILIE DUCKS, FISH & ROUNDS - OH MY!

OMG, you have to feel these! Made of pure silicone and completely covered with row after row of flexible spikes, Silies are a wonderful touch sensation for the hands and a delight to the eyes. Soft and bendable, fingers just dance over the "crew cut" like surface. Comes in a variety of fun shapes and bright colors... all latex free. Perfect as a fidget, in sensory boxes or in the tub. Must be experienced, looking is not enough! Variety of shapes and colors available. Get 1 for yourself too!

**Silie Duck Sensory Scrub \$5.95**  
**Silie Fish Sensory Scrub \$5.95**  
**Sili Round Sensory Scrub \$5.95**
